Dear Mr. Eskanazy:

I wanted to take a moment to express my deepest appreciation to you on behalf of the youth who participated in our Secret Santa Project. Your donation not only helped to make the program successful, but more importantly your donation has made a difference in the lives of forty disadvantaged youth in our city.

Thanks to your generosity the Lauderhill Police Department was able to distribute bicycles, toys and games to students at eight schools in the city and to make Christmas a very special time of the year – as it should be for all of our youth.

Again, my deepest appreciation.

Sincerely,

A handwritten signature in blue ink that reads "Constance Stanley".
