Dear Mr. Eskanazy and Mr. Skolnick,

I would like to personally thank you, on behalf of the North Miami Police Department, for sponsoring Detective Davi Oliveira and Officer Miguel Pineda to attend the DA1 LEO Response to Active Shooter training. We appreciate your generosity and the partnership between the North Miami Police Department and the Greater Miami-Miami Beach Police Foundation.

In light of the events occurring in our world today, this training was most beneficial and relevant. The training focused on officers responding to chaotic active shooter situations. These officers digested lifesaving information that has better prepared them to react appropriately to highly stressful events, and they are ready to share the information with their peers.

Once again, thanks for your continued support. Your contribution has played a vital role in the success of our ongoing training. I look forward to partnering with you in future endeavors.

Sincerely,
