Dear Mr. Eskanazy:

Please accept my sincere gratitude to the Community-Police Relations Foundation for your continuing support of the Police Athletic League of Lauderhill (PAL) and specifically for your support of our upcoming Anti-Bullying Barbeque, Saturday, January 30<sup>th</sup>.

The Police Athletic League of Lauderhill (PAL) was formed in 2009 for the purpose of providing boxing and out-of-school activities as a deterrent to juvenile criminal activity in our community. PAL's primary focus is on anti-bullying, academic achievement and boxing. PAL of Lauderhill provides our youth opportunities to become members of USA Boxing and compete in local, state and National PAL tournaments. As members of USA Boxing, our youth also gain access to the Thomas "Sarge" Johnson Scholarship Program.

Please know that your donation and support is making a difference in our community. Again, thank you for all you do.

Sincerely,

  
Constance Stanley
