Via e-mail:

Dear President Perez, and Director Ramirez,

We hope this letter finds you, your families and all at the Department well and enduring. We are living in uncertain times due to this insidious viral enemy. We want you to know that the members of the Greater Miami-Miami Beach Police Foundation stand with all Law Enforcement, First Responders and Community in any way within our ability.

One of the casualties is the annual "Police Officers Assistance Trust" golf fund raiser at Indian Creek. I expect this may be rescheduled for the fall however, this is the time of need as such, our Foundation members would like to provide funding for "POAT now.

Once again, please accept our donation in the amount of five thousand dollars (\$5,000.) We are certain that the brave officers and their families are reassured to know that POAT has their back...we'll see everyone at the golf event; Peter can't wait...

We are privileged to be a small part of the POAT. A great Foundation, Department and Community of true unsung Heroes.

Respectfully, with Admiration from all our members.
