Dear Mr. Eskanazy:

The Greater Miami-Miami Beach Foundation has assisted the Bal Harbour Police Department (BHPD) through your charitable donations with numerous community outreach and policing initiatives.

BHPD initiatives have provided school uniforms and supplies to over 300 students at our adopted school in the Miami Overtown area, along with several Thanksgiving dinners and Christmas toys to over 500 deserving families throughout Miami-Dade County.

Recently, we were notified that our Communications Supervisor, Ms. Pamela Flanders has encountered an unforeseen financial crisis. As a result of the COVID 19 pandemic, Ms. Flanders family endure furloughs making her the sole financial provider for her family. Additionally, her family crisis continue to spiral, forcing her to relocate her family to a more economical residence.

The BHPD family would like to assist Ms. Flanders and her family during this unforeseen crisis. We solicit your support in helping Ms. Flanders with a benevolent donation of \$1000 to the help cover her relocation cost.

Thank you in advance for your generosity and partnership for BHPD and our First Responders.

Professionally yours,

Raleigh Flowers, Jr.
Chief of Police
