

Thank you to the Community Policing Relations Foundation ,

On behalf of Firstline Wellness, we want to extend our sincere gratitude for your support of Battle of the Badge.

Because of partners like you, we were able to bring together first responders, families, and community members for a day centered on wellness, unity, and the important conversation around the mental health battle behind the badge. Despite a bit of rain, we welcomed over 150 attendees and saw incredible participation, teamwork, and community spirit.

Your support played a direct role in helping us create an event that not only encouraged physical fitness, but also highlighted the importance of mental health and resilience for those who serve our city every day.

We are truly grateful for your partnership and belief in our mission. As Firstline Wellness continues to grow, we will be planning additional wellness initiatives and community events throughout the year, and we would love to keep you involved.

Thank you again for standing with our first responders and helping us make a meaningful impact.

With appreciation,

A handwritten signature in black ink that reads 'Janeisy Aracena-Martinez'. The signature is fluid and cursive, with the first name 'Janeisy' being the most prominent.
