The South Florida SPCA is a 501(c)(3) non-profit organization founded in 1992. We are the only horse and livestock rescue organization serving the abused animals in need in Miami Dade County. Your tax deductible contribution will be used to provide feed, veterinary care, farrier services and training for the horses and livestock currently being cared for at our rescue ranch. With your support we are able to prepare our animals for adoption into loving forever homes or to live their years out in our collaborative sanctuaries.
