Dear Gentlemen:

On behalf of the Police Officer Assistance Trust (POAT), I would like to thank the Greater Miami-Miami Beach Police Foundation for your recent donation of \$2,250.00., for the purpose of distributing \$50.00 grocery gift cards to those identified by local law enforcement officers as being in need. Officers will use optimum discretion and prudence as they identify these "in need" individuals. Unfortunately, many people do not have all of their basic needs met, including sufficient food to feed themselves and their families.

On the first day, 11 cards were disbursed to include: two cards to a homeless family (Coral Gables), 1 card to a cleaning person (Coral Gables); 1 card to a law enforcement officer who tested positive for a second time (his pregnant wife also tested positive); 1 card to a person undergoing psychological counseling; 3 cards were distributed during wellness checks (Medley); and 2 cards to a family residing in Hialeah who are pending government assistance (appointment was canceled due to COVID-19).

The Police Officer Assistance Trust and the law enforcement community is very appreciative of your generous donation, and grateful to have the Greater Miami-Miami Beach Police Foundation as a community partner.

Sincerely,

Annette McCully  
Fundraising Chairperson
