Dear Mr. Al Eskanazy:

On May 25th, 2018, Officer Josue Mangual and I were graciously invited to attend the DA1 LEO Response to Active Shooter Training at Direct Action Industries' downtown Miami Shootouse. This training opportunity was made possible because of Pinecrest Police Department's visionary leadership and the generosity of the Greater Miami-Miami Beach Police Foundation.

The convenience and versatility of Direct Action Industries training facility provided the perfect setting for their battle-tested cadre to facilitate instruction on realistic close quarter battle. The maze of configurable rooms, hallways, and skilled role-players allowed for a myriad of scenarios and room clearing challenges. We feel fortunate to have trained with seasoned professionals in a controlled environment designed to simulate the stresses of an active shooter event.

Thank you once again for making the training available. Continued support of this kind will save lives and make police response more effective.

Sincerely,

Lieutenant Ivan Osores
