Greater Miami-Miami Beach Police Foundation, Inc.

Greetings:

The support of the Miami-Miami Beach Police Foundation, Inc. is invaluable in our efforts to be a viable linkage between families struggling with daily food insecurity and access to available community resources. The Christmas Holiday Community Outreach Event on December 15, 2020 was one of the opportunities to support residents of our community.

Thank you for partnering with the MEC Food Ministry in the donation of much needed funding. Because of your assistance we were afforded the ability to reach out in a meaningful and memorable way to families and youth. The assistance of the Miami-Miami Beach Police Foundation, Inc. in making this distribution successful is greatly appreciated.

Sincere Regards,
