Dear Al,

I want to extend my sincerest thanks and appreciation to you and the entire Board of the New York's Elite Police Foundation for your generous support of our community policing program. Your donation towards the NCPD Foundation's purchase of bicycles will go a long way towards our efforts to better police our communities in Nassau County.

This past year has been extremely difficult for our department, but we are grateful for Foundation's like yours that assist us with our community policing needs. Implementing a bicycle patrol unit will help us better engage with the community while keeping them safe and I am grateful that you and your Board recognize this critical need.

Thank you again for everything you do for law enforcement, I am eternally grateful. Stay healthy and stay safe and have a wonderful holiday.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick J. Ryder".
